Roger,  
Attached below is your revised presentation for 2/23. Modifications made:

- insertion of term "adult" in objective on slide 3
- deletion of phrase "in humans" on project name on slide 3
- insertion of term "adult" in objective on slide 4; changed "in" to "of"
- insertion of term "adult" in objective on slide 5; changed "for" to "of"
- addition of term "confidential" to footer

Since you will be participating via teleconference, I am requesting that hard copies of your presentation be provided to all attendees. Although Wolf has the dial-in information, I attach what I sent him below just as back-up.

Please let me know if you have questions.

Thanks,  
Valerie
